DECISION ON PETITION
TO WITHDRAW HOLDING OF
ABANDONMENT

This is a decision on the Petition for Revival filed October 13, 2004. The petition is treated as a petition to withdraw holding of abandonment.

This application was held abandoned for failure to timely file a response to the non-final Office action mailed February 23, 2004. A Notice of Abandonment was mailed on September 16, 2004.

Petitioner asserts that the Office action was not received. A review of the record indicates that the Revocation and Power of Attorney filed October 11, 2001 was not properly processed. This resulted in the Office action of February 23, 2004 being mailed to an address not of record. The PTO regrets any inconvenience to petitioner.

In view of the above stated reasons the Notice of Abandonment mailed September 16, 2004 is hereby vacated and the holding of abandonment is withdrawn.

The petition is **GRANTED**.

The Revocation filed October 11, 2001 has been properly entered. The application file is being forwarded to the Technology Center's technical support staff for re-mailing the Office action originally mailed February 23, 2004 to the proper correspondence address of record. The period for response will be set to run from the mailing date of the Office action.
